Scratch  
Division

Net  
Division

Format:  
4-Person Scramble  
Men-white tees  
Ladies - gold tees

## ABOUT US

The Parent Project was founded by a small group of parents whose sons were diagnosed with Duchenne Muscular Dystrophy (DMD) or Becker Muscular Dystrophy. These parents are 100% dedicated to funding research and education specifically focused on Duchenne. We are a unique organization because together, parents and scientists have committed to a strategy to find treatments and a possible cure. Low administrative overhead enables our organization to direct almost all of its resources to research. The Parent Project is a tax-exempt, non-profit organization established in accordance with Section 501(c)(3) of the IRS code.

## OUR MISSION

Find a viable treatment and cure for Duchenne Muscular Dystrophy.  
Identify, fund and speed up research through DMD research centers.  
Increase worldwide awareness for the disease.  
Make a difference in the lives of this generation of boys.

## Entry Deadline is August 9, 2010

Registration fee for each team is \$800 (which includes golf, cart, range balls, shirt, lunch, dinner and prizes.)  
Make checks payable to Parent Project MD and mail to: 7953 Hawkhurst Court, Cleves, Ohio 45002
