

Parent Project MD is holding our annual

**HOPE FOR THE HOLIDAYS DINNER & AUCTION,
Dec. 4, 2009 at Aston Oaks
Golf Club & Banquet Center in North Bend, Ohio**

The purpose of this event is to raise awareness, money for research and provide HOPE for those affected by Duchenne Muscular Dystrophy, the most common, lethal, genetic disorder in children.

For our families, this event is especially important because our sons, Grant and Tony have Duchenne MD. As Grant and Tony age, their muscles continue to weaken and deteriorate. Even the simplest of tasks like holding a fork, turning over in bed or giving us a hug become very difficult and ultimately impossible. To date there is no cure for Duchenne MD – only HOPE – that by raising awareness and money for research, our sons and so many others like them might have a brighter future ahead of them.

Your support is about making a difference
Your support is about saving our sons!

We are asking for assistance in the following ways:

- _____ Donations of Products and Services for our auction
- _____ Monetary Donation
- _____ Corporate Sponsorships – Recognition in Program and at the Event
